

Innovation In The Box

We are a new kind of manufacturer, revolutionizing the packaging industry with innovative and exceptionally engineered Expendable and Returnable packaging divider systems. We value long-term partnerships with customers and want to lead the way in environmental responsibility.

At ITB Packaging, we understand the unique challenges and demands of the electronic industry. Our team of experts has meticulously crafted a range of packaging solutions specifically designed to cater to the needs of electronic components, devices, and equipment. ESD damage can lead to costly product failures and replacements. Our solutions are designed to extend the lifespan of your components, ensuring greater reliability and minimizing financial risks.

Capabilities

- Expendable Solutions
- Returnable Solutions
- ISO 9001 - Certified
- Manufacturing
- Engineering
- Assembly
- Design

Materials

20# Smooth Kraft
Strong and flexible paper for most parts; recyclable.

20# Smooth Kraft Nomar
Smooth kraft with added part protecting coating; recyclable.

20# Smooth Kraft ESD
Smooth kraft with added part electrostatic discharging coating; recyclable.

Evolon
Thread-free Spunbond; highest protection for sensitive surfaces .
