

Innovation In The Box

Based in Holland, Michigan, our team has decades of experience in manufacturing and distribution management. Early on we recognized the potential for packaging system innovation, and have developed advanced technologies and divider products powerful enough to revolutionize the industry. We keep it simple: innovative design, cost-effective manufacturing, superior customer service, world-class processes, and total quality management.

Health and Beauty

With sustainability being one of ITB Packaging's top priorities, we can produce 100% recyclable packaging options for all your cosmetic and beauty products.

ITB Packaging has a wide array of ergonomically designed packaging solutions that are customizable to a wide variety of products from shampoos and conditioners to brushes and applicator. Our design team has the knowledge and talent to find a packaging solution for your company needs, regardless of the products shape or size.

ITB Packaging's is dedicated to making sure your merchandise arrives to the store front without spillage or damage.
